### **Administration Report**

#### **Elaine**

- Student led conference is Wed May 2<sup>nd</sup>.
- The outdoor equipment is out and is working well. Each room will get a bag of playground equipment and balls and sign them out for use. Supervisors are assigned to areas and this is working well and will continue for the rest of the year. An assembly is scheduled where the rules were explained to all the children.
- Kindergarten registration starts soon, please visit website for more details.
- IRide and the bike rodeo are coming soon. All grades are welcome to bring bikes and scooters.
- Staffing is dependent on numbers of children registered in the school. Linda Riemer is leaving and Chris Mahon has a temporary position.
- District is looking at inclusive education instead of Special education terminology and more EA's are being brought in another .5 person will assist.
- 2.5 days of a counsellor for next year will also be coming
- The Province has allocated millions for playgrounds and each District can apply for funding; SD61 funds are going to Quadra Elementary; although Lake Hill's wooden playground is due for replacement, because we have other playground equipment at the school, as well as Beckwith Park nearby, it is highly unlikely we would qualify.

#### **Conclusion**

- School supplies will be ordered again through Teachers File
